Re: Application of Alaska Wireless Network, LLC, and Nextel West Corp. for Approval of a Long-Term De Facto Transfer Spectrum Leasing Arrangement, WT Docket No. 17-63

Dear Ms. Dortch:

The Alaska Wireless Network ("AWN") hereby submits a public, redacted version of its narrative response, and supporting documents, to the letter and General Request for Information dated April 5, 2017 ("Information Request"), from James D. Schlichting, Senior Deputy Chief of the Wireless Telecommunications Bureau ("WTB") of the Federal Communications Commission (the "Commission") concerning the leasing of certain 800 MHz licenses ("Licenses") from Nextel West Corp., a wholly-owned indirect subsidiary of Sprint Corporation (collectively, "Sprint") to AWN in the above-referenced transaction.

Concurrently, AWN is submitting a highly confidential version of this filing under seal to the Secretary's Office and the WTB.

Sincerely,

Michael Lazarus
